# Roulade /

By KiBiSi

## KiBiSi

**KiBiSi** is among Scandinavia's most influential design groups today. KiBiSi has worked across a wide range of disciplines, creating everything from furniture and household objects, to bicycles and aircraft, and signature designs for clients across the globe. Urban Mobility, Architectural Illumination and Personal Electronics are among the global niches KiBiSi have consistently explored in recent years.

## Roulade

Roulade is a meeting between generations and genres, a meeting between mattress and Chesterfield, chair and couch. Roulade is a Swiss Roll turned sofa - a contemporary, iconic and humorous character with a cozy and comfortable expression. Roulade is made from High Density foam cut into a fixed shape reminiscent of a rolled up mattress. It is upholstered with top class materials such as Kvadrat fabrics; And the comfort and durability is outstanding. It is a sort of new comer – a plump 1,5 pax sofa designed for laid back hangout. Bespoke, oversized buttons modernize the old school Chesterfield expression

## Materials

**Back & Seat section:** Polyurethane foam structure.

**Base section:** Belted wooden construction with polyurethane foam
